### How Many More

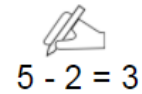

1. Read.

2. Build.

3. Write the equation.

Bob has **5** dogs.  
Sue has **2** dogs.  
**How many more** dogs  
does Bob have than  
Sue?

$$\underline{\hspace{2cm}} - \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

Bob                  Sue                  Difference

Jon has **3** cats.  
Nancy has **7** cats.  
**How many more** cats  
does Nancy have than  
Jon?

$$\underline{\hspace{2cm}} - \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

Nancy                  Jon                  Difference

Ann has **4** rats.  
Don has **7** rats.  
**How many more** rats  
does Ann have than  
Don?

$$\underline{\hspace{2cm}} - \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

Don                  Ann                  Difference

Ted has **6** hogs.  
Pam has **2** hogs.  
**How many more** hogs  
does Ted have than  
Pam?

$$\underline{\hspace{2cm}} - \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

Ted                  Pam                  Difference
