

Animal Research Recording Sheet

1.W.4

I will be successful when I can:

- Select** a wild animal as the topic for my "All About" book.
- Develop** the topic through **research** using several sources of information.
- Select** details that support my topic.
- Organize** the information using a graphic organizer.
- Discuss** my research with a partner and determine my "Author's Point".

Animal: _____

Type: Mammal Bird Fish Reptile Amphibian Insect Spider

Media Source: Book Website Video Article
